**Type and Scope of services to be performed:**

Denver International Airport (DEN) is requesting to extend various concession agreements. The

COVID-19 pandemic caused significant disruption to air travel and precipitous drops in concession sales at DEN. This amendment request will help support the concessionaires and their workforces and ensure that essential goods and services will remain available to passengers and employees at DEN. This amendment will extend the agreement term by three (3) years from the agreement expiration dates. The contract extensions will generally provide for one of the following variations in contract language, depending upon whether the Concessionaire is a holdover tenant:

"All terms and conditions of the Agreement in effect immediately prior to its expiration and by which the Concessionaire has been operating as a holdover tenant shall be in effect and binding on the Parties for a new Term of three (3) years, beginning on XXXXX (the "New Term"), subject to the conditions herein. The Expiration Date of the New Term is XXXXX, 2024; thereafter, Concessionaire's rights and privileges under the Agreement and this Amendment shall terminate unless Concessionaire is permitted to continue to operate as a holdover tenant under the Agreement's holdover provisions."

Or

"The Term and the Expiration Date of the Agreement are extended by three (3) years (the "Extension"). Hereafter, the Expiration Date of the Agreement is XXXXX, subject to the terms and conditions below."
