Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This ordinance approves a transfer of \$8,704,165.61 from *East Corridor Fund 38349* to the *Public Works Improvement Projects Fund 31050*.

In 2012, the East Corridor IGA First Amendment between the City and County of Denver (City) and the Regional Transportation District (RTD) (First Amendment) was executed to provide funding for the Eagle Project, a public private partnership to extend commuter rail services in the Denver Metro area. Per the terms of the agreement, the City would provide RTD an "advance" of sales and use taxes paid on materials during construction of the Eagle Project to RTD. Following the completion of the project, RTD shall repay the cumulative total of the advance from any amount of remaining contingency. With the project reaching its close, the city

invoiced RTD and has received the final reimbursement of \$8,704,165.61. Per the city's fiscal policies, the repayment has been deposited in the original project fund, *East Corridor Fund 38349*.

To finalize the administrative actions necessary to make these funds available for 2023 Annual Budget appropriations, a transfer of these funds from *East Corridor Fund 38349* to *Public Works Improvement Projects Fund 31050* is required.
