Vendor/Contractor Name (including any "DBA"):

Habitat for Humanity of Metro Denver, Inc.

Type and Scope of services to be performed:

Denver was awarded a total of \$1,429,993 from the Colorado Department of Local Affairs (DOLA) to assist with the Villa Park and West Denver Renaissance Collaborative (WDRC) Accessory Dwelling Unit (ADU) projects. Specifically, \$736,183 for the Villa Park project.

The purpose of the Affordable Housing Development Incentives Grant (IHOI) program is to promote the development of affordable housing that is driven by community benefits and that focuses on critical housing needs as identified by the local government.

The Villa Park sites (sites along the Lakewood Gulch in Villa Park) are located in an area of Denver that either has never had infrastructure installed such as sidewalks, alleys, or installed a street in such a way as to not meet any engineering safety standards. These critical improvements will allow Habitat to build affordable homes for sale. Villa Park will develop six affordable units with up to three ADU's.

The current agreement is set to expire 03/31/2024. The request to extend the agreement expiration date is due to external factors such as delays in the permitting process.

The purpose of this amendment is to extend the agreement termination date from 03/31/2024 to 03/31/2025.
