Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This request is to create a new "DCC Competency Diversion Initiative" Special Revenue Fund, Accounting No. 12826 in the Safety Special Revenue Fund series to receive funds from the Colorado Competency Fines Committee and administer the program, including receiving revenue per the MOU and authorizing expenditures. This SRF will be a revenue-based, non-lapsing fund, and the expending authority will be the Presiding Judge.

County Court has entered into an MOU with the Colorado Competency Fines Committee to implement a new Courts Competency Diversion Program. This endeavor will include collaboration between DCC, the Colorado State Public Defender's Office, the Denver District Attorney's Office, Denver Pretrial Services, and the Mental Health Center of Denver, and will provide clients in the diversion program services with mental health treatment and will focus on social stabilization in the community. Per the MOU, the funds will be provided to DCC as a cash payment up front to implement the DCC Competency Diversion Initiative. While this collaborative partnership is based upon an MOU (and not a contract or grant), Council approve is required to create a new fund and to authorize expending authority.
