Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

City and County of Denver and Arapahoe County are entering into an intergovernmental agreement for improvements to Yale Avenue, including at the High Line Canal Trail. Denver will receive \$967,000.00 for the design phase of this project in this initial agreement.

To properly account for these funds, this companion ordinance requests the creation of a new capital improvement fund within the Grants and Other Money Projects Fund Series. Fund 38433, titled High Line Canal/Yale Avenue Improvements, will be for the monies received from Arapahoe County for this purpose and will be reconciled to the value of actual expenditures. The expending authority will be the Department of Transportation and Infrastructure. The fund will be appropriated and non-lapsing.

The agreement with Adams County is anticipated to be subsequently be amended, or an additional agreement will be entered into, to fund construction of the improvements on Yale Avenue and the High Line Canal Trail. Any future appropriations in Fund 38433 will align with the terms of the intergovernmental agreements for this project.
