**Title:** AS AMENDED a bill for an ordinance amending the Denver Retail Marijuana Code and the Denver Medical Marijuana Code to provide for a waiting period before new applications can be received or acted upon within a 1,000-foot radius of a location where a license has been denied or an application has been withdrawn following scheduling of a hearing. Establishes a waiting period for re-application for a license for certain marijuana businesses that are denied an application or in certain cases when applicants withdraw. The Committee approved filing this bill at its meeting on 5-1-17. Amended 05-15-17 to clarify that the one-year waiting period for reapplication for medical marijuana center license or a retail marijuana store license in circumstances where a prior application was withdrawn after the setting of a public hearing on the application but prior to a final decision by the Director of Excise and License is measured solely from the date the prior application was withdrawn.
