Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The State of Colorado provides funding from SB 12-163 for jail based behavioral health service programs at the Downtown Detention Center and the Denver County Jail. These programs will support the Denver Sheriff Department to screen, assess, and provide treatment for individuals in custody who are struggling with substance misuse or mental health. In addition, funding provides for transition case management services to individuals who need such services while they are in custody.
