Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This ordinance approves a Cooperation Agreement between the City and County of Denver and the Denver Urban Renewal Authority (DURA) for the sales and property tax increment areas within the Emily Griffith Opportunity School Urban Redevelopment Area.

The Emily Griffith Opportunity School Urban Redevelopment Area ("Area") is comprised of a single 106,400 square foot city block bounded by 13th Street to the northeast, Glenarm Place to the southeast,

12th Street to the southwest, and Welton Street to the northwest at the southern end of Downtown Denver.

The Denver Urban Renewal Authority, in coordination with the City's Department of Finance and Department of Community Planning & Development, is seeking to establish an Urban Redevelopment Area to support redevelopment of the Area through the approval of an Urban Redevelopment Plan (the "Plan"). Staff with the City and DURA have agreed to an Urban Redevelopment Plan and Cooperation Agreement for the creation of the St. Anthony Urban Redevelopment Area and the use of sales and property tax increment financing by DURA, subject to City Council approval.

The Cooperation Agreement authorizes the use of sales and property tax for the purpose of financing projects for the benefit of the Area following approval of an Urban Redevelopment Project by City Council.

DURA will be making a presentation regarding the Urban Redevelopment Plan and the related Cooperation Agreement and seeking Council Committee approval at the Council Committee meeting on July 25, 2017.
