A resolution approving a proposed Loan Agreement between the City and County of Denver and Rahf V Argonaut, LLC to support the rehabilitation of 108 income-restricted units at Argonaut-El Tovar, located at 1505 North Grant Street in Council District 10.

Approves a performance loan agreement with RAHF V ARGONAUT, LLC for \$1,165,364 and 60 years to support the rehabilitation of 108 income-restricted units at Argonaut-El Tovar, located at 1505 North Grant Street in Council District 10 (HOST-202367247). The last regularly scheduled Council meeting within the 30-day review period is on 11-20-2023. The Committee approved filing this item at its meeting on 4-26-2023.

Affected Council District(s) or citywide? 10

Contract Control Number: HOST-202367247

Vendor/Contractor Name (including any "DBA"): RAHF V ARGONAUT, LLC

Type and Scope of services to be performed:

Jonathan Rose Companies is requesting \$1,165,364 in funding to complete the rehabilitation of Argonaut-El Tovar. This property is subject to a project-based Section 8 Housing Assistance Payments (HAP) contract which expires in 2040. Most, if not all residents are seniors on SSI disability income, therefore, all units serve very low-income tenancy, and 108 units are 30% Area

Median Income (AMI).

This project also includes a social services program, which utilizes common space at the property and will be subject to physical improvements in addition to work already completed. The program has a case manager who offers programming events and connects residents to resources, benefit programs, transportation, reading mail, etc.

The rental and occupancy covenant securing the rental and occupancy restrictions will run with the land for 60 years.

The borrower will be required to house people with low/moderate incomes as shown in the following table.

Unit Type	30%AMI	Employee Unit	Total Units
Studio	51		51
1BR	57	1	58
Total	108	1	109

Originally constructed in 1908, Argonaut-El Tovar is a 109-unit preservation project consisting of two historic brick buildings, Argonaut and El Tovar, which are five and three stories, respectively. The project underwent renovations in 2007 and the first phase of another rehab in 2021, consisting of \$6,409,934 in total repairs. This second phase of the rehab is being performed to ensure the long-term viability of this property as an affordable asset. This project will serve very low-income tenancy through the Housing Assistance Payments (HAP) contract expiring in 2040, with 108 units restricted at 30% Area Median Income (AMI) through the Rental & Occupancy covenant, with one Employee Unit.

Already completed during the rehab was a reconfiguration of the layout to accommodate accessibility requirements in six units (5.5%). Cabinets, plumbing fixtures, and electrical devices have been lowered to meet Section 504 requirements. Jonathan Rose Companies will also install LED lights, low-flow plumbing fixtures, and EnergyStar rated appliances throughout the property, as well as complete repairs to the elevator, sidewalks, and install a new video surveillance system.
