Type and Scope of services to be performed:

Approval is requested for the leasing of additional expansion of office space located on the 9th floor of 101 West Colfax Ave, with options for expanded premises. The Webb Building is

currently at full occupancy and lacks the additional space required to house approved, new hires for 2018, as well as address operational changes required by certain agencies. The lease of additional premises in 101 W. Colfax Avenue provides office space in close proximity to the Webb Building.

To accommodate the space requirements and reconfiguration within the Webb Building, the Dept of Parks and Rec will move out and relocate to the 9th floor of 101 West Colfax, the Office of Economic Development will also move from Webb and relocate to the 8th floor of 101 W. Colfax and the Dept of Public Health and Environmental will co-locate on that floor as well. These moves will open space in the Webb Building to provide for required FTE growth (2018 and beyond) and strategic, operational changes required by certain agencies in the building.
