The last regularly scheduled Council meeting within the 30-day review period is on 5-24-21. The Committee approved filing this item at its meeting on 4-24-21.

Type and Scope of services to be performed:

The CIRU has been funded by the Crime Prevention and Control Commission since mid-2016.

Since that time, the program has grown and at the end of 2019 the program consisted of 2 managers, 11 district-specific clinicians, 1 city-wide clinician, 1 homeless outreach clinician, 1 RTD clinician, and 1 behavioral health navigator, totaling 17 MHCD staff.

In 2019, the CIRU served a total of 2,263 unique individuals. The direct indicators of success for the CIRU are counter-factual - arrests and hospitalizations that did not happen. The CIRU has become an important support in the City and County of Denver. The CPCC recommends that the funding continue for this program, with a planned transition of the program to be funded by and managed by the Department of Public Safety over the next few years. The Commission is requesting the contract amount in 2021 to reflect actual expenditures more accurately due to some costs being offset by Medicaid reimbursements to MHCD.
