Contract Control Number: 201525744-00

Vendor/Contractor Name (including any "DBA"): CenturyLink Communications, LLC

Type and Scope of services to be performed:

CenturyLink will provide continuity of telecommunications services, including high-speed internet services, a Synchronized Optical Network (SONET) managed network, Distributed Denial-of-Service (DDoS) services and professional IT services on an as-needed basis for Denver International Airport (DEN). SONET is an optical transport system for voice and data services to the entire DEN campus and Airlines, Concessions and Tenants. DDoS is a proactive mitigation service to deny internet service in the event of a cyberattack. CenturyLink will analyze network traffic, determine if a cyberattack is occurring and initiate mitigation strategies as appropriate.

CenturyLink will also provide high-speed internet services such as public internet connectivity and a network managed solution for performance reporting and monitoring 24 hours per day, 7 days per week. DEN's publicly acclaimed high-speed internet Wi-Fi services provides access to the DEN campus for Airlines, Tenants, Concessionaire and the traveling public. CenturyLink will provide IT and managed services to DEN 24 hours per day, 7 days per week on an as-needed basis.
