Title: Tonight, Council will convene as the Board of Directors of three different General Improvement Districts or GIDs – the 14th Street GID, the Gateway Village GID, and the RiNo GID. Three separate hearings will be held on each district’s proposed 2016 budget, work plan, and mill levy certification.

Anyone wishing to speak on CR15-0770 regarding the 14th Street GID, CR15-0771 regarding the Gateway Village GID, or CR15-0772 regarding the RiNo GID must see the Council Secretary to receive a speaker card to fill out and return to her during the recess of Council.

Council is scheduled to hold a required public hearing on CB15-0625, changing the zoning classification for 3268 West 32nd Avenue. However, there will be a motion to postpone, which if approved by a majority of Council, will result in a public hearing and final consideration of the bill being set to a later date.

And, Council will not sit as the Board of Equalization this evening as no timely, written protests were received by the Manager of Public Works by October 15, 2015, from property owners within any of the following local maintenance districts:

- Welton Street Pedestrian Mall
- West 38th Avenue Phase I Pedestrian Mall
- Expanded Greek Town Pedestrian Mall
- Phase II West 38th Avenue Pedestrian Mall
- 32nd and Lowell Pedestrian Mall
