A resolution approving a proposed Agreement between the City and County of Denver and AECOM Technical Services, Inc. concerning professional services at Denver International Airport.

Approves a five-year contract with AECOM in the amount of \$65 million to perform federally required quality assurance inspections and special inspections on maintenance and capital improvement projects at Denver International Airport (201628929). The last regularly scheduled Council meeting within the 30-day review period is on 6-26-17. The Committee approved filing this resolution at its meeting on 5-24-17.

Affected Council District(s) or citywide? Council District 11

Contract Control Number: 201628929

Vendor/Contractor Name (including any "DBA"): AECOM

Type and Scope of services to be performed:

FAA funded projects specifically require a Quality Assurance (QA) program be in place as part of the grant program. QA Special Inspections are also required as part of the project permitting process. Quality Assurance (QA) is a program where qualified personnel witness and inspect the construction of projects for the Owner (DEN). QA personnel from AECOM will work with the

Contractor on a given DEN construction project to help insure there is a common understanding of the project plans and specifications. In the event there is a discrepancy between what is constructed and what is specified, this discrepancy is brought to the attention of the Project Manager for action. QA personnel are assigned to all projects at DEN. A good QA program involves the QA team from the definition phase of a project to the closeout phase. Under this contract these duties shall include quality assurance inspection, special inspections as well as other duties necessary as requested. AECOM shall be "an approved agency" and be able to provide "qualified persons" to perform Special Inspections as referenced in Chapter 17, Section 1704 of the International Building Code (IBC), and as amended by the latest City and County of Denver Building Permit Policy. As "an approved agency" or Special Inspection Agency the Consultant will also provide material testing services not provided by the DEN material testing laboratory.
