Detailed description of the item and why we are doing it. This can be a separate attachment.

State law requires City Council approve a service plan for a new metropolitan district, or an amendment to a service plan for an existing district. The Denargo Market Metropolitan District Nos. 1-3 ("Districts") are located northwest of downtown along the Brighton Blvd. corridor at the southeast corner of 29th St. and Arkins Ct. The Districts' original service plans were approved in 2010 and the Districts' original purpose was to manage, implement, and coordinate the financing, acquisition, construction, completion, operation, and maintenance of public improvements and services for the Denargo Market project. In 2021 an amended General Development Plan ("GDP") and a rezoning was approved for the Denargo Market project. These changes authorized greater development density and greater public infrastructure requirements. The First Amendments to the Service Plan seek to align the Districts' description and operations with the new GDP and zoning.
