I. CRISIS INTERVENTION/STABILIZATION CLINIC

1. Clinical Services

i) Services will include Screening, assessment, crisis intervention, and behavioral health treatment for a target of five days with possible extension, for a total of up to 10 days. Crisis stabilization services will assist voluntary individuals, in

a safe and secure environment. These persons are not in need of a higher level of care and are not required to go to jail (e.g., non-violent individuals with police contact). The goal of the crisis stabilization service is to provide: assessment, stabilization, treatment, and re-integration into the community. The clinic will offer the following general services:

- a. Screening assessments
 - b. Behavioral health assessments/Triage
 - c. Crisis stabilization treatment supervised by a psychiatric provider and provided by appropriate mental health clinicians and medical staff (group therapy, individual therapy, peer support services, medical services, psychiatric services and medication)
 - d. Resources, referrals, and connection to community services
 - ii) Treatment provided will focus on: de-escalation and crisis management, psychiatric assessments, treatment planning, interventions and therapy, and medication management.
2. Individuals to be served: The Solution Center will accept individuals who are experiencing a behavioral health crisis and who have had significant interaction with the city of Denver's first responders. This includes any law enforcement professionals, fire department/EMT units, and designated mental health professionals. Additional service providers may be included or excluded as referral sources upon joint approval by WellPower and DDPHE.
3. Specific Services to be Offered

Below is a list of specific services to be offered at the Solutions Center. WellPower may propose additional services to be offered at the Solutions Center in addition to the services below, as value add services:

- a. Trauma informed crisis response in accordance with C.R.S. 27-65
- b. Triage/screening (Crisis assessment including safety assessment)
- c. Service needs assessment
- d. Psychiatric assessment
- e. Treatment planning
- f. 24/7 Monitoring/supervision
- g. Peer support
- h. De-escalation and crisis management
