**Executive Summary with Rationale and Impact:**

*Detailed description of the item and why we are doing it. This can be a separate attachment.*

The proposed resolution is an administrative procedure, being undertaken to comply with Colorado statutes to preserve the City's ability to issue private activity bonds in future years and to apply for additional allocation which can be used to issue private activity bonds or mortgage credit certificates in future years, as well. The State of Colorado's Department of Local Affairs has allocated \$38,110,648 of Volume Cap Allocation to the City and County of Denver for the year 2020, all of which remains unused; and, the State encourages government entities to apply for additional Volume Cap Allocation from the Statewide Balance during the year. This resolution allows the allocation to be utilized in future years, as well as allows for the additional allocation when granted to be carried forward up to three years, consistent with Colorado statutes and the Internal Revenue Code
