Contract Control Number: 201735913

Vendor/Contractor Name (including any "DBA"): Compañía Panameña de Aviación S.A., doing business as Copa Airlines

Type and Scope of services to be performed:

Copa qualifies for an air service incentive because they are initiating scheduled international air service at Denver International Airport (DEN). The incentive provides a maximum of \$1,000,000.00 in funds available for marketing of this service. Based on the proposed schedule of Copa Airlines, they will use approximately \$571,400. Copa will develop a marketing plan to promote their new scheduled international air service at DEN, and this marketing plan will be approved by DEN before it is executed.

This agreement supports DEN's air service incentive program, which encourages new airlines to add service to Denver, and for existing carriers to add new nonstop destinations from Denver.
