Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

Land Acquisition Ordinance granting the authority to acquire through negotiated purchase or

condemnation of all or any portion of any property interest as needed for the Sand Creek Project impacting 8101 E. 40th Avenue. A Land Acquisition Ordinance (No. 20200668) was passed by City Council on July 27, 2020 authorizing CCD to use its eminent domain powers to acquire the needed property interests for the Sand Creek Project. In addition to the property legally described in Ordinance No. 20200668, the Project requires acquisition of an adjacent parcel which is a portion of the North Ulster Street right-of-way that was vacated by CCD under Ordinance No. 20180282 and is now partially part of 8101 E. 40th Avenue. Acquisition of this portion of the vacated North Ulster Street right-of-way will ensure connectivity with CCD owned, and DPR managed, property to the west.

One acquisition is required totaling approximately 0.18 acres. This includes easement interests, access rights, improvements, buildings, fixtures, licenses, permits and other appurtenances as part of the Project.
