Vendor/Contractor Name (including any "DBA"):

Aaravya Investments LLC

Type and Scope of services to be performed:

Amend a lease at 75th and Gun Club Rd in DEN's West Approach Commercial District to also include a secure lot for parking vehicles rented through car-sharing platforms (e.g., Turo). Lot access will be controlled, vehicles keys will be secured separate from the vehicles themselves and lot activity will be monitored by convenience store operators, providing better security and ease of access for airport customers.

As approved in the original lease, the development also features fresh food options, curated local offerings, solar panel canopies, electrical vehicle (EV) charging stations, efficient water systems, and an elevated building design with a roof deck for airplane and mountain viewing in addition to the gas and convenience facilities.
