Type and Scope of services to be performed:

This resolution seeks approval to finance the acquisition of compost collection vehicles

("Equipment") for the Department of Public Works-Solid Waste Management Division ("Public Works"). The Equipment will be incremental to the City's existing fleet. The Equipment will be financed through a capital lease purchase transaction in the principal amount not to exceed \$3,988,943. Banc of America Public Capital Corp. ("BAPCC"), selected via a competitive bid process, will serve as the lessor. The proposed financing structure will consist of a 5-year lease purchase transaction with annual lease payments of approximately \$843,035, which will be repaid from the Planned Fleet Fund, that are subject to annual appropriation by City Council. The interest rate will be locked at 1.9122% assuming closing prior to November 1, 2019, which translates to total interest cost of approximately \$226,220.

This capital lease purchase resolution request is being submitted in conjunction with two equipment procurement contract requests submitted by Public Works for delivery of the Equipment by: 1) Kois Brothers Equipment; and 2) Rush Truck Center of Colorado.
