Type and Scope of services to be performed:

DEDO and the Denver Workforce Development Board (WDB) is seeking a comprehensive service provider, which will serve as both the one-stop operator and service provider, that employs vision, innovation, accountability, and efficient and effective utilization of resources in workforce development programming. It is the City's goal to create a coordinated workforce system that focuses on a fully integrated service delivery strategy, which ensures that all customers flow seamlessly throughout. As customers are engaged across multiple entry points, their individual needs shall be identified and addressed, and they will be provided with access to programs, services, and navigation to supplementary supports. This service delivery model is a collaborative approach to help customers discover appropriate and client-centered services at a single location. This vision promotes cutting-edge practice and technology that fosters livable and sustainable wages, sustainable employment, as well as offering career pathways for the City's vulnerable populations.
