Type and Scope of services to be performed:

Family Strong will practice principles that incorporate the values and principles of teaming approaches to engage youth and their families; bring the perspective of the family into case planning and assessment process and in monitoring the success of plans; equip parents with the tools they need to manage challenging behaviors; and develop capacity of parents to support each other and build system supports that promote and help sustain the role of parents as a resource.

The key components of Family Strong are immediate intervention when requested by the family, active engagement of youth and families, and timely access to effective services and support. Services are community-based and ensure community safety to meet the youth and family's level of need (low, moderate, high) and are a multi-system collaboration in the community.
