Vendor/Contractor Name (including any "DBA"): Bayaud Enterprises, Inc.

Type and Scope of services to be performed:

The Denver Day Works program is a supportive work program designed to provide a low- to no-barrier work experience for people throughout the city who are experiencing homelessness, while also connecting participants to supportive services such as food,

shelter, referrals, and other necessities.

Bayaud Enterprises coordinates and supervises work experiences for participants at approved private, city, or other public sites. Bayaud will also provide benefit navigation, behavioral health referrals, job readiness assessments, individualized employment plans, and meals to participants during work experience activities.

The additional funds requested in this resolution will allow Bayaud Enterprises to continue to offer the Denver Day Works program. Funds will be used for participant wages, services provision, and staffing. The additional funds are necessary because demand for the program is higher than anticipated after it reopened from the previous pandemic closure. Bayaud will provide outreach and recruitment to at least 120 homeless individuals to participate in the program.
