Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

In the spring of 2019, a demolition application for this property was submitted to CPD. During the public notice of demolition posting period, an owner-opposed designation application was submitted. As the application went through the LPC and City Council processes, the community and the property owners discussed possible solutions. Through those meetings a compromise was reached, and the property was sold to buyers who proposed to reuse the structure. As part of the compromise agreement to preserve the structure, the new owners are designating the property. This current designation application is submitted by Councilwoman Amanda Sandoval, under the new designation criteria and with a reduced boundary.
