Seeks to amend section 2.9.3 of the Denver city charter to delete subsection E and reletter

remaining subsections accordingly. A companion bill will be filed to address language in various sections of the Denver Revised Municipal Codes consistent herewith.

While General Services has had formal responsibility for municipal facilities, including theatre, arena, and auditorium facilities, in the Charter, Arts & Venues and its precursors have operated as standalone entities and been delegated oversight of those cultural/entertainment facilities for decades. This proposed Charter change seeks to formalize Arts and Venues in this role and remove reference to General Services oversight.
