A resolution approving a proposed Fourth Amendatory Agreement by and between the City and County of Denver and Versaterm, Inc., to extend the term, increase the maximum contract amount and add on-call professional services to continue to provide technical support for the Records Management System of the Department of Safety.

Adds \$1,832,310 and three years to a contract with Versaterm, Inc. for a new total of \$6,175,266 and end date of 12-31-20 for licensing, use, upgrades, fixes, and full emergency support of the Police Department records management system for arrest and investigation data and reporting and analytics (TECHS-CE83108). The last regularly scheduled Council meeting within the 30-day review period is on 12-11-17. The Committee approved filing this resolution by consent on 11-7-17.

Affected Council District(s) or citywide? Citywide

Contract Control Number: TECHS-CE83108

Vendor/Contractor Name (including any "DBA"): Versaterm, Inc

Type and Scope of services to be performed:

The Versaterm Records Management System (RMS) is the core system used by the Denver

Police Department (DPD) officers for entering and storing arrest and investigative data. RMS data is also used for reporting and analytics. DPD requires the continued use of this system and this contract amendment will allow Versaterm to provide the technical support services necessary to keep the application running at optimum levels. This amendment would extend the contract for three years and will cover licensing of the application, upgrades, fixes and full emergency support.
