Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

This agreement accompanies the Broadway and I -25 Urban Redevelopment Plan and supports

regional improvements being paid by tax increment financing by trading the City's "hockey stick" parcel (see graphic below) along Santa Fe to Broadway Station Partners in exchange for right-of-way needed to relocate West Kentucky Avenue with the difference between the two land values being satisfied by future tax increment generated on the site. The agreement also permits the redeveloper of the Broadway and I-25 site to include stormwater detention in the development of Vanderbilt Park East, subject to specific design criteria.

A presentation on this agreement will be presented with the related Urban Redevelopment Plan and Cooperation Agreement at the Council Committee meeting on September 12, 2017.
