Contract Control Number: (TECHS-201738498-02/ 202263363-02).

Vendor/Contractor Name (including any "DBA"): Groundfloor Media, Inc.

Type and Scope of services to be performed: An extension of this on-call professional services contract will allow TS/Marketing Services and other departments to continue in-flight marketing campaigns and marketing support for ongoing and upcoming projects citywide, while allowing adequate time to conduct a new RFP procurement for these types of services at the end of the new term. The City's on-call marketing services contracts support a multitude of large, public-facing campaigns across agencies and departments and to stop work on these campaigns would be detrimental to residents looking for support from the City on housing solutions, tax relief for seniors, OHR recruitment of key positions across the City, the roll out of volume-based waste services, and many more services that are actively being marketed to residents.
