Vendor/Contractor Name (including any "DBA"): St. Francis Center

Type and Scope of services to be performed:

St. Francis Center is seeking two parallel contracts for both development and services for a supportive rental housing project at 1630 E. 14th Avenue. St. Francis Center is developing 48 Single Room Occupancy units with 50% of residents sourced from the One-Home coordinated entry system, and 50% of residents comprised of individuals experiencing homelessness who would benefit from employment support services. Each unit will have a bed, desk, storage, and mini fridge, and each resident will have their own key to their unit. Shared amenities include laundry room, shared kitchen/lounge and eating area, restrooms on multiple floors, and a computer lab. All units will be restricted at 30% AMI for 99 years.

St. Francis Center is seeking \$2,100,000 (\$43,750 per unit) for hard and soft costs to renovate the building as well as \$1,000,000 in services funding in a separate 15-year contract to ensure that high-quality services are maintained on the property. The Denver Housing Authority (DHA) is acquiring the land as part of the DHA Delivers for Denver (D3) program and leasing the land to St. Francis Center for 99 years. The City's loan is a performance loan with a 99-year term. This is not a tax credit project. A deed of trust to the benefit of the City will be recorded on the leasehold, and a covenant will be recorded on the leasehold.
