Date Submitted: 5-2-22

**Requesting Agency: Technology Services
Division:**

Subject Matter Expert Name: Joe Saporito

Email Address: joseph.saporito@denvergov.org <<mailto:joseph.saporito@denvergov.org>>

Phone Number:

Item Title & Description:

(Do not delete the following instructions)

*These appear on the Council meeting agenda. Initially, the requesting agency will enter a 2-3 sentence description. Upon bill filling, the City Attorney's Office should enter the title above the description (the title should be in **bold** font).*

*Both the title and description must be entered between the red "title" and "body" below. Do **not** at any time delete the red "title" or "body" markers from this template.*

A resolution approving a proposed Master Services Agreement between the City and County of Denver and Jones Lang LaSalle Americas, Inc. for implementation and support of the Archibus Space Management software supporting the Department of Real Estate.

Approves a contract with Jones Lang LaSalle Americas, Inc. for \$820,464 and through 4-1-25 for implementation and support of the Archibus Space Management software supporting the Department of Real Estate, citywide (TECHS-202262162). The last regularly scheduled Council meeting within the 30-day review period is on 6-13-22. The Committee approved filing this item at its meeting on 5-10-22.

Affected Council District(s) or citywide? Citywide

Contract Control Number: TECHS-202262162

Vendor/Contractor Name (including any "DBA"): Jones Lang LaSalle Americas, Inc.

Type and Scope of services to be performed: Technology Services is partnering with the Department of Finance, Real Estate Division, to purchase the Archibus Integrated Workplace Management Software (IWMS). The goal of this contract is to partner with Jones Lang LaSalle Americas, an implementation partner of Archibus, to purchase, implement and provide ongoing support of the Archibus IWMS.

The Real Estate Office is charged with effectively and responsibly managing all real estate properties that the City and County of Denver (CCD) owns and occupies. Space planning and allocation is an integral function that falls under the Real Estate Division's realm of responsibility. To manage these assets effectively, the Real Estate Division intends to purchase and implement a real estate management software. Currently, the Real Estate Division uses spreadsheets and Access databases to manage space and allocation across the CCD.

This software will be primarily used by the Real Estate Division and DHS, but also by departments and agencies wanting real time data of employee locations and employees looking to reserve shared workspaces.

The Real Estate Division will use this software as a central repository for Space Planning Management, Workplace Services, Capital Project Management, Real Estate Property and Asset Management. See attached Executive Summary for further detail.

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts):

Are WBE/MBE/DBE goals met (if applicable)?

Is the contract new/a renewal/extension or amendment? New
