A resolution approving a proposed Third Amendatory Agreement between the City and County of Denver and Flog, LLC to add and update language to document for food and beverage services at Overland Golf Course.

Amends a contract with Flog, LLC to add language to document the amount of \$8,600 to replace the requirement to purchase and install a permanent tent with capital improvements of equal value, add minimum wage ordinance language requirements, update the gross revenue definition to clarify that event deposits are a liability and not a revenue, and update the payment provisions so that the Concessionaire will be required to pay revenue percentage payments each month for food and beverage services at Overland Golf Course in Council District 7. No change to contract amount or duration (201738457). The last regularly scheduled Council meeting within the 30-day review period is on 1-6-20. The Committee approved filing this item at its meeting on 12-3-19.

Affected Council District(s) or citywide? Council District 7

Contract Control Number: 201738457

Vendor/Contractor Name (including any "DBA"): Flog, LLC

Type and Scope of services to be performed:

This amendment #3 clarifies changes made via prior amendment #2 regarding the tent purchase requirement, in order to add the exact dollar value (\$8600), as well as minimum wage provisions. The version of Amendment #2 approved by Council did not include these provisions. This amendment also updates the gross revenue definition to clarify that event deposits are a liability and not a revenue, and updates the payment provisions so that the Concessionaire will be required to pay revenue percentage payments each month. This will protect the City in case the Concessionaire abandons their duties before the annual minimum payment is due in May.
