Vendor/Contractor Name (including any "DBA"): School District No. 1

Type and Scope of services to be performed:

This contract engages Denver Public Schools (DPS) as the city's youth provider of the Summer

Youth Employment Program (SYEP) for the 2020 summer season. The program's goal for service in 2020 is 375 youth. Each youth will have the opportunity to earn \$500 for participating in the first segment of online content, and an additional \$500 upon completion.

Since June 2016, when Denver began its new contracted delivery system for adult and youth workforce programs, DPS has demonstrated success related to youth enrollments and service. In addition to the In-School Youth program under WIOA, Denver's Summer Youth Employment Program was also added to DPS' contract beginning for Summer 2018, was performed in Summer 2019, and will be continued for 2020 with this contract although the program delivery is substantially different in 2020 due do the COVID-19 pandemic.

DPS' Family and Community Engagement (FACE) team worked with DEDO this spring to reconfigure the SYEP program to be able to deliver pre-employment training and career exploration content in a safe environment amid the COVID-19 pandemic. In addition to the 80-hour virtual experience, youth and families will also have the opportunity to receive additional job coaching and wrap resources and supports via the DPS team of FACE Workforce job coaches and FACE Centers.

Program focus is on disadvantaged youth, and given that there are more such youth interested in this program than our budget can accommodate, the qualified eligible applicants are being offered a chance to participate through a lottery. SYEP promotion garnered nearly 800 applicants in Spring 2020.
