A resolution approving a proposed Second Amendatory Agreement between the City and County of Denver and E.T. Technologies, Inc. for on-call petroleum storage tank management services.

Amends a contract with E.T. Technologies, Inc. by adding five months for a new end date of 11-30-21 for on-call maintenance, repair, and testing of active city-owned petroleum storage tanks, installation of critical tank infrastructure projects, and removal of obsolete or failed storage tanks, citywide. No change to contract amount (ENVHL-201627640-01). The last regularly scheduled Council meeting within the 30-day review period is on 8-2-21. The Committee approved filing this item at its meeting on 6-30-21.

Affected Council District(s) or citywide? Citywide

Contract Control Number: ENVHL-201627640-01

Vendor/Contractor Name (including any "DBA"): E.T. Technologies, Inc.

Type and Scope of services to be performed:

This request amends the existing On-Call professional services contract to extend the term of

the contract for five months (ending 11/30/2022) with no increase in overall contract value, to allow for the continuation of critical storage tank projects while the contracting process for new On-Call Tank Services contracts are awarded and finalized. The purpose of the Storage Tank program is to manage storage tanks in compliance with state law and to minimize city environmental liability associated with aboveground and underground storage tanks. The DPHE-Environmental Quality Division coordinates, through its professional services contractor, for maintenance, repair, and testing of active city-owned storage tanks, installation of critical tank infrastructure projects, and removal of obsolete or failed storage tanks.
