A resolution approving a proposed Amendatory Agreement between the City and County of Denver and Securitas Security Services USA, Inc. to add fund requirements, increase the maximum contract amount and extend the term for security personnel at various homeless shelters and facilities during the COVID-19 health crisis.

Amends a contract with Securitas Security Services USA, Inc. by adding \$1,150,000 for a new total of \$1,500,000, extending the contract through 1-31-21 and adding required CARES language to the contract to allow the City to seek reimbursement for service related costs associated with the COVID-19 pandemic for security personnel services at congregate and non-congregate shelter locations (GENRL-202054849-01). The last regularly scheduled Council meeting within the 30-day review period is on 10-26-20. The Committee approved filing this item at its meeting on 9-22-20.

Affected Council District(s) or citywide? Citywide

Contract Control Number: GENRL-202054849-01

Vendor/Contractor Name (including any "DBA"): Securitas Security Services USA, Inc.

Type and Scope of services to be performed:

In response to the city's need for providing shelters for people experiencing homelessness during the declared emergency on the basis of COVID-19, the city established various shelter locations. Because of the shelter expansion, additional security personnel are needed as the citywide security contractor does not have capacity to fulfill the need. Securitas Security Services has been fulfilling these critical security personnel services at congregate and non-congregate shelter locations. In order to continue service as this pandemic is on-going, a term extension and increase to the maximum compensation are required. This amendment also adds required CARES act language for using CARES grant funding language.
