Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The proposed resolution is being requested to evidence the City's intent to utilize a portion of the City's Private Activity Bond (PAB) Volume Cap Allocation to finance affordable multifamily housing by the REDI Corporation, or its affiliates, for the Rhonda's Place project located at 203 S. Federal Blvd., Denver, CO. The PAB will be a part of the financing package for REDI

Corporation, or its affiliates, to acquire, construct, fund reserves, and pay issuance costs for a new 50-unit affordable multifamily apartment complex. The project is expected to include 49 one-bedroom/one-bathroom units limited to 30% of Area Median Income (AMI) and 1 one-bedroom/one-bathroom manager unit. The State of Colorado's Department of Local Affairs has allocated PAB Volume Cap Allocation to the City. This resolution allows for the use of up to \$8,000,000 of PAB Volume Cap Allocation to be applied to this project consistent with the City's Home Rule Charter, Colorado statutes, and the Internal Revenue Code.
