<b>Title:</b>	<p>A resolution approving a proposed Master Purchase Order between the City and County of Denver and Advanced Network Management, Inc., to provide CISCO Networking equipment and supplies for Denver Citywide.</p> <p>Approves a five-year up-to \$25 million master purchase order with Advanced Network Management, Inc., through 10-20-21 for citywide CISCO Networking equipment and supplies (0643A0216). (This is a companion ordinance to 16-1333 in the sense that the agency budget for these services totals \$25 million over the period, but each vendor could be awarded none, a portion, or all of the \$25 million depending on their competitive advantage to the city at the time services are needed.) The last regularly scheduled Council meeting within the 30-day review period is on 1-30-17. The Committee approved filing this resolution by consent on 12-27-17.</p>
