Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The 2017 Long Bill (ordinance number 20161032; page 22, lines 33 and 34) authorizes the payment of $4,705,795 "for the total City-wide 2017 lease payments associated with Lease Purchase Agreement No. 2012C with Denver Properties Leasing Trust 2012C" (more commonly known as the East Corridor COP payment), but only identifies the accounting number and appropriation account for the Public Works' Capital Improvement Program portion of this payment ($3,943,017). The Budget and Management Office inadvertently failed to call out and seek the appropriation of the portion of this payment that was to be made by the Wastewater Enterprise Fund totaling the remaining $762,778. This ordinance request seeks the appropriation of $762,778 in accounting number 5061102-72710 and appropriation account PA776 to cover Wastewater's portion of this payment obligation.
