The contractor will provide case management services and supports for individuals and families (participants) involved in the Temporary Assistance for Needy Families (TANF) Program. The purpose of case management as it relates to the Colorado Works program is to promote the long-term economic well-being of our community, through preparation for and attachment to jobs that offer families a sustaining wage and/or the opportunity for career advancement.

The contractor is expected to build effective relationships with TANF participants, assess their needs and challenges, and then develop an effective personalized plan with them that takes into consideration their strengths and addresses needs. The TANF program is designed to assist families in becoming stable and self-sufficient, reducing the need for the social safety net through positive outcomes, particularly employment.
