**Type and Scope of services to be performed:** Due to the unique nature and scope of the security objectives of DEN it is essential that the Security Personnel provide the following services: traffic management, building security, perimeter security, and airfield security. Services ensure DEN maintains regulatory compliance with Code of Federal Regulations (CFR) Parts 1500-1562 and the Transportation Security Administration (TSA) approved Airport Security Program (ASP). Without these security guard services, DEN would not maintain compliance with mandatory federal regulations and requirements.
