Contract Control Number: OEDEV-GE68003-01

Vendor/Contractor Name (including any "DBA"): The Delores Project

Type and Scope of services to be performed: This request is to amend a loan agreement between OED and The Delores Project (TDP) that provided \$700,000 in CDBG (HUD) funds for the acquisition of a shelter at 1290-1292 King Street.

TDP has operated the facility acquired through this loan as a shelter for women and transgender individuals experiencing homelessness for the past ten years. TDP is now partnering with Rocky Mountain Mutual Housing Association, Inc. (RMMHA) to construct a new project on the property known as Arroyo Village Apartments. The new project will include a new shelter facility that will be operated by TDP as well as 130 units of permanent supportive housing and workforce housing restricted at 30% - 50% AMI. The new project will allow TDP to replace a functionally obsolete facility and to provide integrated services for emergency shelter guests and stably housed residents, improving the level of service that TDP is able to offer shelter guests.

The amendment provides the city's consent to replace the existing facility with the new facility. TDP will lease the new facility from Arroyo Village Apartments LLLP, a partnership between TDP and RMMHA; the amendment also authorizes OED to change the collateral for the loan to TDP's leasehold interest in the new facility and provides for another change in collateral if TDP ever acquires the new facility outright. The amendment also adds a covenant running with the land to secure the use of the new facility as a shelter until the end of the original loan term (May 24, 2037).
