Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The proposed change amends the Classification and Pay Plan by changing the title of 311 Customer Service Agent to 311 Customer Service Agent I and creates a new class called 311 Customer Service Agent II (C-614). This proposed change also amends the Classification and Pay Plan by changing the pay grade of 311 Customer Service Specialist from C-614 to C-615.

Currently, there are 3 levels of 311 Customer Service classifications: Agent (C-613), Specialist (C-614), and Lead (C-615). It is proposed to create a new classification, 311 Customer Service Agent II, to provide a career path for this classification series and assist with employee retention. The 311 Customer Service Agent II will perform additional duties aimed at improving and maintaining the quality, scope, and further development of the 311 Contact Center services. This proposed classification will provide an intermediate level to the Customer Service Agent series and allows the 311 Customer Service Agent to move from entry level to intermediate level before being eligible for a promotion to a limited number of Specialist or Lead positions. With the proposed classification of 311 Customer Service Agent II, we are also requesting a revision of the classification title of 311 Customer Service Agent to 311 Customer Service Agent I with no changes to duties or responsibilities. The 311 Customer Service Agent I would reallocate into the Agent II through the Progressive Series.
