Contract Control Number: TECHS-CE83108

Vendor/Contractor Name (including any "DBA"): Versaterm, Inc

Type and Scope of services to be performed:
 The Versaterm Records Management System (RMS) is the core system used by the Denver Police Department (DPD) officers for entering and storing arrest and investigative data. RMS data is also used for reporting and analytics. DPD requires the continued use of this system and this contract amendment will allow Versaterm to provide the technical support services necessary to keep the application running at optimum levels. This amendment would extend the contract for three years and will cover licensing of the application, upgrades, fixes and full emergency support.
