Contract Control Number: 201738462

Vendor/Contractor Name (including any "DBA"): SEMA Construction, Inc.

Type and Scope of services to be performed: The Project will provide a comprehensive stormwater collection system to protect both the local community and property against flooding while improving water quality, multi-modal mobility access opportunities, and creating and enhancing park and public spaces. The work includes the design and construction of a linear greenway along the alignment of 39th Avenue, which will collect and ultimately convey stormwater to the connection for the outfall at Globeville Landing Park, incorporating park and open space, landscaping, community connectivity, utility relocations, and water quality enhancements. The work also includes conduits along Madison Street and Clayton Street/40th Street. Additional flood protection will be provided at Park Hill including design and construction of a detention basin and the installation of a pipe connection beneath the existing RTD and UPRR lines at Dahlia Street with an outlet connection, under the Union Pacific Railroad, to the Park Hill Phase V project, connecting pipe systems, utility relocations, landscaping, and water quality enhancements.

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts): 23% M/WBE goal for design and 12% construction. The contractor submitted Letters of Intent for Design and the construction goal will be achieved via a compliance plan.
