## **A resolution approving a proposed First Amendatory Agreement**

**between the City and County of Denver and EM Dub Design LLC for on-call professional planning, design and related consulting services for various park projects.**

Amends a contract with Em Dub Design LLC by adding \$100,000 for a new total of \$585,000 for on-call landscape planning and park design services for playgrounds, tennis and basketball courts, picnic areas, and other park amenities, citywide. No change to contract duration (201520685). The last regularly scheduled Council meeting within the 30-day review period is on 4-9-18. **Affected Council District(s) or citywide?** Citywide

**Contract Control Number:** 201520685

**Vendor/Contractor Name (including any "DBA"):** Mundus Bishop Design, Inc

**Type and Scope of services to be performed:**

This is an on-call landscape planning and design contract with Em Dub Design, LLC. The contract has one year remaining and the remaining dollar amount in the original contract is insufficient to complete all anticipated work. Without extending the term, this amendment is to simply increase the capacity of the contract by \$100,000.

This contract is for Landscape Architectural consulting services, and in conjunction with the other on-call contracts, is used to plan and design the majority of the (40-50) Capital Projects done annually. The types of projects these consultants typically work on are Neighborhood Park improvements (i.e. playgrounds, tennis and basketball courts, picnic areas and new walks and trails). DPR will be procuring a new round of on-call Landscape Architectural contracts later this year, however, due to increased project loads due to capital budget expansions and the GO Bond, DPR needs to increase the capacity of the current contracts to ensure continued work until the new contracts are in effect. These projects are important for the neighborhoods in every Council District, and impact our ability to deliver our capital projects on the schedules we've established.
