Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

The metropolitan district will provide for construction, financing, operation, maintenance, and coordination of Public Improvements necessary to redevelop an 11.5-acre site formerly owned by CDOT. The infill site is anticipated to be primarily residential-approximately 180 townhomes and potentially a 40 to 60 unit senior living facility with some lower level commercial uses.

It is anticipated that the district manages the financing, acquisition, construction, completion, operation, and maintenance of all public infrastructure throughout the project.
