Contract Request Template (Contracts; IGAs; Leases)

Date Submitted: 11-20-18

Requesting Agency: Denver International Airport
Division:

Subject Matter Expert Name:

Name: Angela Casias

Email: Angela.Casias@flydenver.com

Item Title & Description:

(Do not delete the following instructions)

These appear on the Council meeting agenda. Initially, the requesting agency will enter a 2-3 sentence description. Upon bill filling, the City Attorney's Office should enter the title above the description (the title

should be in **bold** font).

Both the title and description must be entered between the red "title" and "body" below. Do **not** at any time delete the red "title" or "body" markers from this template.

A resolution approving a proposed first Amendment between the City and County of Denver and Panasonic Corporation of North America concerning professional services to support innovative technology-based solutions related to the planning and implementation of technical initiatives to support innovative technology at Denver International Airport.

Amends a contract with Panasonic Corporation North America by adding two years for a new end date of 3-7-21 for the Light Emitting Diode (LED) service plan and content management services for the Pena Boulevard Welcome Sign and other professional services to support innovative technology based solutions related to the planning and implementation of technical initiatives, at Denver International Airport. No change to contract amount (201626296-01). The last regularly scheduled Council meeting within the 30-day review period is on 1-2-19. The Committee approved filing this item at its meeting on 11-28-18.

Affected Council District(s) or citywide?

Contract Control Number: 201626296-01

Vendor/Contractor Name (including any "DBA"): Panasonic Corporation North America

Type and Scope of services to be performed:

This contract amendment will allow Panasonic Corporation to continue providing innovative professional services to Denver International Airport. Services will include the following:

- Detailed knowledge of current industry opportunities and future technological advances.
- Professional services including design, building, implementing and integrating innovative solutions that support key technologies that align with and serve strategic planning objectives.
- Improve the state of DEN's passenger experience, conservation of resources, environmental footprint, and operational performance.

Location (if applicable):

WBE/MBE/DBE goals that were applied, if applicable (construction, design, Airport concession contracts):

Are WBE/MBE/DBE goals met (if applicable)?

Is the contract new/a renewal/extension or amendment?

Was this contractor selected by competitive process or sole source?

For New contracts

Term of initial contract:

Options for Renewal:

How many renewals (i.e. up to 2 renewals)?

Term of any renewals (i.e. 1 year each):

Cost of initial contract term:

Cost of any renewals:

Total contract value council is approving if all renewals exercised:

For Amendments/Renewals Extensions:

Is this a change to cost/pricing; length of term; terms unrelated to time or price (List all that apply)?

If length changing

What was the length of the term of the original contract?

Three years

What is the length of the extension/renewal?

Two years

What is the revised total term of the contract?

Five years

If cost changing

What was the original value of the entire contract prior to this proposed change?

What is the value of the proposed change?

What is the new/revised total value including change?

If terms changing

Describe the change and the reason for it (i.e. compliance with state law, different way of doing business etc.)
