Contract Control Number: TECHS-201845423-00

Vendor/Contractor Name (including any "DBA"): All American Records Management Inc.

Type and Scope of services to be performed:

Document / Data Destruction Services (Shredding):

Vendor will perform the required services of data destruction for all City and County of Denver owned locations, including the Denver International Airport. The vendor will provide multiple receptacles to be placed at various City locations, with most locations having multiple receptacles. These receptacles will hold documents and data that have been deemed to be in need of destruction, and the data may include items that are sensitive in nature. Due to the possibility of sensitive data, the receptacles are required to be pad locked while they are on site and in use.

The City currently shreds approximately sixty-four thousand (64,000) pounds of office paper each month. The main scope of these services will be for the destruction of paper.

Vendor will perform all services according to the latest standards of the National Association for Information Destruction (NAID), Inc. or similar trade organizations and any regulations affecting the destruction, disposal and recycling of paper.

Document / Data Storage Services:

Vendor will perform the required services of off-site storage and retrieval of City records. Vendor will provide secure, professionally managed off-site storage services, as well as timely and accurate retrieval and delivery services. City records are comprised of documents of various media types including, but not limited to, paper, microfiche, microfilm, videotapes, and audiotapes. The majority of records to be stored will be contained in sealed, standard 1.2 cubic feet boxes. There may be additional needs for boxes to be of various other sizes to accommodate drawings, materials, and larger size documents. Vendor shall never open the sealed boxes nor allow the City's boxes to be retrieved by, opened, or the records contained therein to be viewed by, anyone except authorized City representatives. All records will be available for retrieval 24 hours per day, 7 days a week, 365 days per year.
