Type and Scope of services to be performed:

The Department of Safety is requesting an ordinance to approve a contract with the State of Colorado in the amount of \$18,453,695.86 to fund the FY19-20 Community Corrections Program. This contract had previously been treated by the City as a grant, so the Special Revenue Fund receiving the contract dollars was categorized as "sponsor-funded". However, upon further evaluation of the new contract, it should be classified as a revenue agreement between the State and the City. Therefore, the Special Revenue Fund can no longer be "sponsor-funded" and will be changed to "appropriated." This bill request appropriates the value of the contract to the fund.
