Executive Summary with Rationale and Impact:

Detailed description of the item and why we are doing it. This can be a separate attachment.

To conform city code with expected changes to the Charter, section 2-191 through 2-194 and 2-275 will be amended to place the responsibility for the care, maintenance and operation of cultural facilities, structures and land with Arts and Venues. This is in conjunction with separate ballot measure requesting voter approved revisions to city charter section 2.9.3, removing Arts and Venues from the Department of General Services.
